AMENDMENT AND REPLY

Sir:

This Amendment is being filed in response to the Office Action mailed from the U.S. Patent and Trademark Office on August 27, 2002 in the above-identified application. Reconsideration and further examination are requested.

Please enter the following amendments and remarks.

AMENDMENTS

In the Specification:

Please add the following section on a new page after the Claims

Methods and Compositions of Desensitization

ABSTRACT

The present invention provides a composition comprising a plurality of peptides derived from a polypeptide allergen wherein for at least one of the peptides in the composition, restriction to a MHC Class II molecule can be
